On Computer Research and Development (ICCRD 2018)
Phu Quoc Island, Vietnam,
February 2-4, 2018**

ICCRD 2018

ICCRD 2018, The 10th International Conference on Computer Research and Development, will take place in Phu Quoc Island, Vietnam, from February 2-4, 2018. ICCRD 2018 is co-organized by the University of Science, Vietnam and Industrial University of Ho Chi Minh City.

ICCRD 2018 is a not-to-be-missed opportunity that distills the most current knowledge on a rapidly advancing discipline in one conference. Join key researchers and established professionals in the field of Computer Research and Development as they assess the current state-of-the-art and roadmap crucial areas for future research.

Publication

The submitted full papers will be peer-reviewed, accepted and registered full papers will be published into selected Journals. More details please visit <http://www.iccrd.org/journals.html>.
